CAMP No. 262-68.—M. 6-90, DATED MYSORE, 30TH NOVEMBER 1893.

ORDER.—A Statement of Demand, Collection and Balance of assessment on lands granted for mining purposes will, in future, be submitted annually in the form appended to Proceedings No. 6628-54—Cir. 138, dated 1st September 1890. The Statement will be submitted along with the annual Revenue D. C. B. Statement, but under cover of a separate letter.

2. The annual demand of assessment shewn in the statements hitherto received in this Office do not tally in several cases with the amount shewn under the head assessment in the statement of particulars of lands granted for mining purposes, prepared in this Office and circulated with the Proceedings above quoted. The figures given in this statement as assessment, are the same as the amount given in the Revenue Statement attached to each lease, copy of which (statement) was communicated to the Deputy Commissioner soon after the execution of the lease. In the case of any variation from it owing to revision of assessment in the Taluk, the Survey Settlement of which was subsequent to the grant of the lease, a fresh statement in the form of the one attached to the lease should be submitted for record in this Office, and communication to the lessee. All other variations should be fully explained.

3. A statement of the Demand, Collection and Balance as specified in para 1 above, up to date, which is urgently wanted, will be submitted by return post.

Proceedings of the Government of His Highness the Maharaja of Mysore, (Revenue),—dated 15th November 1893.

MEMORANDUM.

Toddy Revenue of the Civil and Military Station (including Local Cess).

This (like the Station Arrack Revenue) is under the management of the Mysore Government in accordance with an arrangement between the Residency and the Darbar made in April 1887.

2. This arrangement (made at a time when the system in force was one of a three year farm for the entire District of Bangalore) provided for the Revenue actually derived from the entire District being divided, between the Civil and Military Station and the remainder of the Bangalore District, in the proportion of their respective populations. The share of the Civil and Military Station calculated in this manner was as follows:—

Rs.

16,706 per annum for the contract from 1st April 1884 to 31st March 1887.

17,229 per annum for the contract from 1st April 1887 to 31st March 1890.

20,942 per annum for the contract from 1st April 1890 to 31st March 1892.

3. With effect from 1st April 1892, the large District Farms were abolished, smaller shop and grove farms being substituted in their place throughout the Province.

4. Under this changed system, the District of Bangalore was divided into several farms, but it was found necessary to combine the Station and City of Bangalore with the remainder of the Bangalore Taluk to form a single farm for 1892-93, in order to induce would-be contractors to offer a good price for it. At the public competition this farm was taken up by one Patrappa for Rs. 77,456¼ for 1892-93 (12 months). For statistical purposes this contract amount was distributable as follows:—

	Rs.
For Station and City	59,581¾
For remainder of Bangalore Taluk	17,874½
Total...	77,456¼

5. Patrappa lost heavily on this contract. His loss is ascertained to be over Rs. 20,000 and was due to—

(*a*) his bid having been so high as to leave him scarcely any margin of profit. His estimate of the value of the separate farm for the Bangalore Taluk including Station and City was at the time of his bid a matter of mere guess work, the previous system of District farms having furnished no data for a reliable estimate;

(*b*) his omission to make proper arrangements for carriage from the distant groves in Kunigal and Kankanhalli which had to supply the Station and City. Perhaps the farm being for one year only, he found it unremunerative to make these arrangements; and

(*c*) owing to fall in consumption due to increased consumption of Arrack within Station and City and to the introduction of Beer in the Station.

6. When we came to sell the farms for 1893-94, would-be contractors were naturally influenced by Patrappa's failure during 1892-93, and the bids obtained were unsatisfactory. Two sales were held. At the first sale before Mr. Raghunatha Rao the highest bids for 12 months were :—

	Rs.
For Station and City	47,004
For remainder of Bangalore Taluk	17,760
Total.....	64,764

These bids being considered unsatisfactory, a second sale before Mr. Kuppusami Naidu was resorted to and the highest bids then obtained were for 12 months :—

	Rs.
For Station and City	38,250
For remainder of Bangalore Taluk	21,444
Total.....	59,694

These bids were also rejected and a system of *Amani* management was resorted to, and this has given the following net results for the 7 months from April to October 1893 :—

	Rs.	A.	P.
For Station and City	14,561	8	8
For remainder of Bangalore Taluk (partly under *Amani* and partly under small farm contracts) ...	11,323	7	9
Total... ...	25,885	0	5

These actual figures for 7 months give for a year of 12 months the following estimate :—

	Rs.	A.	P.
For Station and City	24,962	10	0
For remainder of Bangalore Taluk	19,111	11	0
Total.....	44,374	5	0

7. If the term of the contract be extended up to 30th June 1897, (*i. e.* 43 months from December 1893), one Gujjarappa offers as follows :—

	Rs.	A.	P.	
City and Station	49,687	8	0	Per annum.
Remainder of the Bangalore Taluk	22,512	8	0	
Total.....	72,200	0	0	

8. This I regard as a most reasonable offer which is in some measure makes good the loss during the 7 months of the *Amani* management. This will be seen

at a glance from the subjoined table where the figures are for a year of 12 months including Local Cess :—

	Under Puttappa's contract for 1892-93.	Offers not accepted at Mr. Raghunatha Rao's sale for 1893-94.	Offers not accepted at Mr. Kuppusami Naidu's sale for 1893-94.	Estimated figures based upon the average of 7 months *Amani* management in 1893-94.	Gujjarappa's offer for a term ending 30th June 1897.
City and Station ...	...	47,004	38,250	24,962—10—0	49,687—8—0
Remainder of Bangalore Taluk ...	...	17,760	21,444	19,411—11—0	22,512—8—0
Total.....	*77,456¼	64,764	59,694	44,374—5—0	72,200—0—0

*This bid was for the entire Taluk including the Station and City.

9. It is found necessary to assign to the contractor for Station and City some of the adjoining farms so as to prevent the sales in the latter competing with those in the former. The supply for the Station and City has to come from a distance, and in order to make the concern remunerative, the term should be extended so as to embrace the unexpired portion of the current year and three whole years, *i. e.*, till 30th June 1897.

10. Outside the Station and City, the whole of the farms, excepting Krishnarajapur, have been given out on contract to different men. The new contractor, if he took up entire Taluk, must respect the rights of outlying farms during their unexpired terms.

11. Under such circumstances, there is a possibility of our getting less than Gujjarappa's offer as above, if we put up the farms for public competition, and as Gujjarappa's tender is most reasonable, it perhaps is best to accept it at once.

12. But after duly weighing all considerations, I have arrived at the opinion that it is undesirable to sacrifice the sound principle of trusting to public competition for giving us the proper price. Practically there will be, I think, no risk of actual loss by resorting to an auction under proper safe guards, upon the following terms :—

(1) The farm to be for City and Station combined.

(2) Term of farm to be a period ending with 30th June 1897, *i. e.*, 42 months if farmer takes it up from 1st January 1894 and 43 months if he takes it up from 1st December 1893.

(3) The mamul Government groves in Kunigal and Kankanhalli to be handed over to the farmer for the service of this farm.

(4) In order to enable the contractor to work the farm successfully, the Government to grant him also the following farms outside the

City and Station limits, during the period of his contract, for the monthly rent (including the Local Cess), specified below :—

		Rs.	A.	P.	
1-2.	Yesavanthpur—Nagavara ...	184	14	0	Rates for which they are now temporarily rented.
3.	Uttrahalli	90	5	0	
4.	Madivala	154	1	0	
5.	Krishnarajpur	100	12	0	Estimate.
	Total	530	0	0	a month.

(5) Therefore the bid should be for the monthly amount (including Local Cess) the contractor is willing to pay for the Station and City, over and above the fixed monthly rent of Rs. 530 as above for five outlying farms.

(6) Gujjarappa's tender is for Rs. 6,000 a month for the entire Bangalore Taluk including City and Station. Excluding all outlying farms which have already been rented and which now bring a monthly rental of Rs. 1,745—13—2, and the Krishnarajapur farm which is still under *Amani* and the monthly rent of which is estimated at Rs. 100¾, the offer of Gujjarappa, for the City and Station alone, is Rs. 4,153—8—0 a month, equivalent to Rs. 49,842—0—0 per year of 12 months.

(7) The Resident has agreed that the Revenue from the combined City and Station farm should be divided between the City and Station in the ratio of the actual consumption of toddy in each place. Therefore the local authorities of both places should maintain proper Registers of such consumption, taking care to exclude the supply to the outlying five Taluk farms mentioned in clause (4) above.

(8) The contractor should have liberty to sell palmyra and cocoanut toddy at a price from time to time approved by the Excise Commissioner. He should obtain his supply of this class of toddy under tapping licenses, as in Madras, paying a prescribed moderate fee.

(9) If at the time of auction, the bidders express a desire to possess some of the outlying farms in Bangalore Taluk in addition to the five specified above, the Deputy Commissioner will be at liberty to sell them with effect from 1st July next to 30th June 1897 for rent not less than the rents they pay under contracts for the current year.

13. For the use of the Darbar date-groves for the supply of the Station a rent is payable out of the Station Revenue, but this can be settled between the Residency and the Darbar hereafter when sufficient data for a settlement become available, and will therefore not affect the contractor in any way. This point may therefore be altogether omitted for the present.

DATED BANGALORE, *15th November* 1893.

Dewan of Mysore.

No. 8054-5—R. F. 195-92, DATED, 15TH NOVEMBER 1893.

PART I

GENERAL.

Proceedings of the Government of His Highness the Maharaja of Mysore, (General),—dated 18th November 1893.

READ :—

The following Letter No. 3674—323-93, dated 30th October 1893, from the 1st Assistant to the Resident in Mysore to the Dewan of Mysore—

I am directed to forward a copy of the Notes received from the Secretary, Indian Hemp Drugs Commission, on certain cases admitted to the Bangalore Lunatic Asylum which have been attributed to hemp drugs.

2. Under the orders of the Government of India the Commission are conducting a special inquiry into the alleged connection between hemp drugs and insanity, as an important branch of the general inquiry on which they are engaged. They find that the inquiry into, and record of the past history of patients (on which the diagnosis of toxic insanity due to hemp drugs is based) are frequently very defective. The Superintendents of Asylums in British India have been asked to conduct further inquiry and report finally on such cases, and I am now to request that you will be good enough to cause a similar inquiry to be made by the Superintendent of the Bangalore Lunatic Asylum, and that the Magistrates and Medical Officers of Districts to which the patients belong may be asked to give him all necessary assistance.

3. In view of the importance of this branch of the inquiry, I am to suggest that, wherever this is possible, a careful local inquiry should be conducted by a trustworthy and experienced Magistrate in consultation with the Medical Officer, to ascertain the past personal and family history of the patient and any circumstances likely to throw light on the cause of his insanity. The record of this inquiry should in each case be submitted to the Commission through the Superintendent of the Bangalore Asylum to enable him to submit the report above mentioned.

Enclosure Notes of all the Cases in the Bangalore Asylum ascribed to Hemp Drugs.

I.—OLD CASES.

1. Makdum, Mussalman, Laborer, 40.

Was admitted on 28th August 1859. The type of insanity is "dementia longa" (chronic dementia). There is nothing to connect him with ganja in his asylum history which only begins on 23rd August 1880. Probably it was entered in his warrant, which is not now forthcoming, that he used ganja, and he himself has admitted this. He has not improved mentally at all. He is subject to fits of excitement and to delusions

2. Venkta, Hindu, Gardener, 35.

Was admitted 10th August 1862. The type is "acute mania." His asylum history begins in 1880. He is described as a dangerous lunatic. He works in the garden quietly enough and steadily. He has not been regarded as dangerous since 1882. He has not, however improved mentally. There is nothing on record to connect this man's insanity with ganja. He has never even asked for ganja. The entry is probably due to an entry in the warrant not now forthcoming.

3. Chabu, Mussalman, Farrier, Bangalore, 30.

This man was admitted 25th April 1865. The type is "mania longa." His asylum history begins in 1880. In 1889 it is said that he "asks for ganja and says he had permission from Dr. Kirkpatrick to smoke it." He is quiet; does no work; sings songs. There is nothing else to connect his case with ganja.

4. Nanjunda, Hindu, Weaver, Bangalore, 30.

He was admitted 11th June 1866. Type "mania longa." He was foolish and excitable when his asylum history began. He has not improved in mental condition, but weaves cloth. There is nothing to connect this man with ganja except the pocket-book entry apparently made from the papers not now forthcoming. He has not admitted the use of ganja or asked for it.

5. Venkatramana, Hindu, Bricklayer, Bangalore, 35.	He was admitted 15th August 1868. Type "mania longa." His asylum history begins in 1880, when he was "very abusive." He seems quiet and harmless, but has not improved in mental condition. He still suffers from mania, excitement. There is nothing except the pocket-book entry to connect him with ganja. He has never admitted the use of the drug or asked for it.
6. Musthan, Mussalman, Baker, Bangalore, 38.	He was admitted 11th July 1869. Type "acute mania." The asylum history begins in 1880. He was then a dangerous lunatic with a determination to murder a European before he died. He attempted to "force out the eye of an attendant" in 1882. In January 1892, he is entered as quiet and orderly. He had a relapse in February of that year. He has been sensible again since then. He is not known to have admitted the use of ganja or asked for it; but there is the pocket-book entry against him.
7. Cupnia, Hindu, Beggar, Kolar, 50.	He was admitted on 18th October 1869. Type "mania longa." His history begins in 1880, when he is recorded as "foolish, quiet." This is his condition up to date. He is not known to have used or asked for ganja, but there is the pocket-book entry against him.
8. Sayad Ahmad, Mussalman, Tailor, Bangalore, 30.	He was admitted 21st August 1874. Type "dementia longa." His asylum history begins in 1880, when he was "idiotic and paralysed." The old papers show that the cause is "not known" and there is no mention of ganja in the asylum history. The old pocket-book entry is "smoking [ganja]" although there is no reference to the drug in the papers. He has never asked for the drug and is not known to have admitted the use of the drug.
9. Narsa, Hindu, Potter, Mercara, 35.	Admitted 7th April 1875. Type "acute mania." The asylum history begins in 1880, when he was "noisy and abusive." He is in the same condition up to date. He is not known to have admitted the use of ganja or asked for it. The pocket-book entry is "smoking [ganja]," but the Magistrate's papers have no mention whatever of ganja.
10. Shekh Hyder, Mussalman, Siladar, Bangalore, 70.	Admitted 5th September 1878. Type "mania longa." Asylum history begins in 1880, when he was "noisy." He was before us to-day, decorated with coloured rags and amusing himself with dolls he had made. He is subject to fits of great excitement; writes on the ground. He is abusive, but harmless. The old papers make no mention of ganja, nor do the asylum records. The cause is shown as "unknown." The pocket-book entry is "smoking [ganja]." There is nothing to show why this was made; it may have been after inquiry, of course, or the entry may have been made for want of any other cause. The man is not known to have admitted the use of ganja.
11. Chabu Mia, Mussalman, Tinker, Bangalore, 28.	Admitted 2nd May 1879. Type "mania." He was tried for "criminal intimidation." An entry in March 1889 (when his asylum history begins) says "He is of weak mind, probably owing to indulgence in bhang. He is quiet and harmless, but at times goes off his head." He has not improved. No cause is entered in the old papers which make no mention of ganja or bhang. He is not known to have admitted the use of ganja or to have asked for the drug.

12. Munega, Hindu, Potter, Mysore, 30.

Admitted 25th October 1879. Type "acute mania." He was "sent in as a criminal time-expired, being weak minded." The old papers show nothing as to cause of insanity. His asylum history makes no mention of ganja. He is not known to have admitted the use of the drug. He is completely demented, retiring and moody, without speech. The only reference to ganja is in the pocket-book.

13. Bagbahar, Mussalman, Beggar, Kolar, 25.

Admitted 29th May 1882. Type "mania epileptica." He was shown as a violent lunatic, subject to fits, "probably due to indulgence, as he is said to do, in the smoking of ganja." This entry is based on the statement "subject to epileptic fits. He is subject to periodical fits and ganja," under the heading "cause" in the Magistrate's papers. His asylum history shows that these fits continue. He has fits of "violence" necessitating hand-cuffs and blistering. He is not known to have asked for ganja. He is not improved. He becomes dangerous at times.

14. Sanjiba, Hindu, Sepoy, Mysore, 35.

Admitted 4th June 1886. Type "mania." This man was charged with hurting with a dangerous weapon. The old papers show the type as "dementia" and the cause "smoking ganja." The asylum history begins in 1889 and states that he "has had frequent attacks of insanity. He never passes a month without an attack." His mental condition is unaltered. He is not known to have asked for ganja or admitted its use.

15. Puttuswami, Hindu, Laborer, Mysore, 38.

Admitted 20th February 1873. Type "dementia." He was charged with grievous hurt and found of unsound mind. His history begins in 1889, when he "is harmless and very quiet and scarcely speaks." His state has not changed. There is nothing in the Magistrate's papers or in the asylum records, except the pocket-book entry, connecting him with the use of ganja. He denies having used ganja or bhang.

16. Bakshiram, Hindu, Sepoy, Mysore, 40.

Admitted 20th January 1888. Type "dementia." He had committed grievous hurt; his victim died. In 1889 his asylum history begins. He is said to be "an emaciated dissipated man." He had resigned his service and "joined himself to fakirs and byragis about the Province and addicted himself to smoking ganja and other dissipations of that gang." He had been quiet as a rule, but occasionally destructive and dirty in habits. He has not improved in mental condition. There is nothing in the Magistrate's papers of ganja or as to the cause of insanity.

17. Saliman, Mussalman, Merchant, Mysore, 28.

Admitted 31st January 1889. Type "dementia." There is no mention of ganja in the Magistrate's papers. He was charged with grievous hurt. In March 1889 he is stated to be "a delicate, emaciated, dissipated looking man; has a wild vacant look. Craves for smoking cheroots. Will not eat; delights only in being allowed to smoke tobacco. Refuses ganja, but wants plenty of tobacco." He has not improved. He is generally quiet, but gets excited and abusive at times, with suicidal and destructive tendencies. He has never asked for ganja or admitted its use. The entry in the pocket-book cannot be explained. He has had asthma and been treated with datura and belladonna in the asylum

18. Baslingah, Hindu, Raiyat, Mysore, 25.

Admitted 23rd March 1871. Type "dementia." He was charged with attempt to rob. The papers have no reference to ganja or to the cause of insanity. The asylum history has no mention of ganja. 20. Subramani, Hindu, Blacksmith, Bangalore, 28.

Admitted 8th August 1884. Type "mania." He was convicted of murder. The jail papers show the cause of insanity as "uncertain, probably from the effects of hemp on a weakly constitution," and the type as "dementia." His asylum history has no mention of ganja, for which he never asks. He asks for tobacco and snuff. He has had fits of violence, and the least noise puts him out and makes him noisy and abusive. He has not improved.

21. Bandaya, Hindu, Weaver, Bangalore, 30.

Admitted 20th January 1872 Type "mania longa." His asylum history begins in 1880, when he has "suicidal tendency; threw himself into a well and as result became partially paralysed." His condition has not altered at all. There is no mention of ganja in the asylum history. He is not known to have asked for ganja or admitted its use. The Magistrate's papers are not forthcoming.

22. Budin Sahib, Mussalman, Peon, Shimoga, 25.

Admitted 14th August 1873. Type "dementia acute." His asylum history begins in 1880, when he was "foolish." He has not improved. He is not subject to fits of excitement and is generally quiet but of weak mind. There is no mention of ganja in the asylum history, and he is not known to have asked for it. The Magistrate's papers give the cause as "moral," not physical. No mention is made of ganja.

23. Damapa, Hindu, Beggar, Bangalore, 26.

Admitted 7th June 1876. Type "acute mania." Asylum history begins in 1880, when he was "foolish, obstinate, troublesome, ... quarrelsome, violent and abusive." He is not improved, but is generally quiet and attentive to his work. There is no mention of ganja in the asylum papers, nor is he known to have asked for the drug. The Magistrate's papers are not forthcoming.

25. Rama, Hindu, Pauper, Mysore, 40.

Admitted 28th March 1884. Type "acute dementia." When admitted he was "reported to have been out of his mind for 4 or 5 years and dan-

gerous to himself and others, exceedingly emaciated, timid." He is not improved. He is still quiet incoherent. There is no mention of ganja in the Magistrate's papers or asylum history. The man never asks for ganja. He denies having used the drug.

26. Ninor, Mussalman, Pauper, Mysore, 35.

Admitted 13th October 1884. Type "melancholia." The Magistrate's papers and asylum history have no mention of ganja. He has not improved. He does not reply to any question regarding ganja. He never asks for the drug. He is morose and reticent.

Admitted 22nd December 1886. Type "dementia." When admitted he was "eccentric, restless, sleepless, noisy, talking nonsense." He has not improved in condition. The Magistrate's papers record that the cause is "unknown." Neither they nor the asylum history mention ganja. But the man asks for ganja and says he used to use it. He says the ganja does him good. He had been in the asylum before, but the particulars are not now known.

28. Sankra, Hindu, occupation not known, Mysore, 28.

Admitted 29th April 1887. Type "dementia." When admitted he was "of eccentric habits, sleepless, violent and rather morose, answers question in a foolish incoherent manner . . . said to have been a ganja smoker and that is the cause of his insanity." In September he had "improved considerably." But he had relapses. He is subject to fits of "noisy delirium" and violence. He is not altered materially in condition. The Magistrate's papers give "ganja smoking" as the cause, and that was copied into the asylum register.

29. Khan Mahomed, Mussalman, Sepoy, Mysore, 25.

Admitted 27th August 1889. Type "mania chronic." He had delusions, but was well behaved and harmless. He is still in this condition. He had been in the asylum from 1886 to April 30th, 1888. The cause of insanity on both occasions is shown as "unknown." There is no mention of the use of ganja except an admission of his own recorded on 1st November 1889. He said he had used it from his youth. He managed to get ganja from the warders by selling his rations. His insanity is traced to the bullet wound he received on his forehead in the Afghan war. He is violent when refused anything, but ordinarily well behaved. We had a talk with him. He admitted the ganja habit and showed the bullet mark with pride.

30. Kala, Hindu, Cooly, Mysore, 35.

Admitted 12th September 1889. Type "acute dementia." He was violent on admission and required restraint. He is still kept in confinement. The cause is shown as "uses ganja" in the Magistrate's papers. He asks for tobacco and snuff, but never for ganja. He had been admitted in 1888 and had escaped. He cannot answer questions. He is too incoherent. There is no mention of ganja in the asylum history.

31. Mahomed Hyat, Mussalman, Process Server, Mysore, 50.

Admitted 9th October 1889. Type "acute dementia." He was labouring under "delusions, quiet and harmless." He was to have been made over to his friends in February 1890, having been well for two months; but he had a relapse. His condition is unaltered. There is no mention of

ganja in the Magistrate's papers or in the asylum history. He raves and does not answer questions about ganja or anything else. He never asks for ganja.

32. Gurappa, Hindu, Cooly, Bangalore, 35.

Admitted 31st December 1889. Type "dementia longa." He has generally been quiet, but is always incoherent and sometimes excited and abusive and even violent. His condition is unchanged. The Magistrate's papers show the cause as "unknown," but record that "the patient's elder brother has been affected with insanity." The asylum history also has no reference to ganja. He asks for ganja however.

33. Venkusa, Hindu, occupation not known, Bangalore, 30.

Admitted on 13th February 1890. Type "dementia." The Magistrate's papers show the cause as "not known." There is no mention of ganja also in the asylum history. He was "timid and inoffensive, eccentric in habits, but harmless" on admission. His condition is unchanged. He denies ever having used ganja and never asks for it.

34. Bora, Hindu, Agriculturist, Mysore, 35.

Admitted 16th September 1888. Type "mania." When admitted he "is very silent and scarcely answers questions; has a vacant and downcast look." The Magistrate's papers give the cause as unknown and make no mention of ganja; but in November 1891 the asylum register has this entry. "This man was given to ganja smoking." But the man answers no questions and has never asked for ganja. There is no ground given for the above entry.

35. Mariyappa, Hindu, Gardener, Bangalore, 36.

Admitted 14th October 1889. Type "dementia longa." This man had been twice in the asylum. On his first attack he was 28 years old. The cause is shown as "unknown," but the asylum register has an entry on date of admission, saying "he has been addicted to the use of ganja." He has not improved in mental condition. He occasionally asks for ganja.

36. Rajaram, Hindu, occupation not known, Mysore, 45.

Admitted 30th September 1872. Type "mania." He had committed a murderous assault on his wife. "He used to make figures and destroy all he made saying that his god appeared to him and induced him to do so. At times he becomes noisy and abusive." His condition is unchanged. He becomes irritable and talkative, but is not dangerous. The judgment of the Court says "If the evidence of his wife is to be believed, the prisoner is subject to periodical fits of insanity; and it would appear that he did the act charged during one of these periods." There is no mention of ganja anywhere in the papers. But he is said to ask for ganja. The Superintendent of the Mysore Jail says "Though his manner is somewhat peculiar, I have not been able to satisfy myself that he is insane," and the Judge hints that the appearances of insanity are probably at least exaggerated.

37. Muniya, Hindu, Cooly, Hassan, (Mysore,) 36.

Admitted 22nd June 1887. Type "dementia." This was "a miserable-looking man, having the character of an imbecile, quiet and harmless." This is his condition still. There is no mention of ganja anywhere in the papers or records. He does not answer questions. He never asks for ganja. He was arrested for house trespass.

38. Hussain, Mussalman, Fakir, Mysore, 45.

Admitted 12th September 1889. Type "dementia acute." The Magistrate's papers show the cause as "uses ganja." On 1st November 1889 'he was detected smoking bhang, but will not tell where he got it." In July 1889 he had an epileptic fit, and another in August He has had them "occasionally" since. His condition has not improved.

II.—Cases of 1892.

39 Boriya, Hindu, Oil Merchant, Ganjam, 80.

Admitted 19th May 1892. Type "chronic dementia" The Magistrate's papers show that he had been mad "for the last three years" and that the cause was 'taking to ganja and bad association." His condition has not changed in the asylum. There is nothing to connect the man with ganja in the asylum history. He never asks for ganja

41. Mum, Vershaw, Mussalman, no occupation, Bangalore, 16.

Admitted 20th December 1892. The Magistrate's papers show the cause as 'uses ganja." The medical certificate said he had 'eccentric, filthy and destructive habits, and at times violent." He said his Bairagi guru taught him to use ganja. On admission he seemed sane, came under delusions again a month later, then improved slowly and was discharged "improved" on 15th August 1893.

III.—Cases of 1893.

42 Inayatkhan, Mussalman, Beggar, Meyhere, 50.

Admitted 24th January 1893. Type "chronic dementia." The Magistrate's papers show the cause as 'unknown." This is his third admission to the asylum He has asked for ganja in the asylum. He has not yet improved in mental condition.

43. Mahaspuri Gosain, Hindu, Mendicant, wanderer, 35.

Admitted 8th February 1893 Type "acute dementia." The Magistrate's papers give the cause as "ganja smoking" A small quantity was found in his possession on admission. He much improved in mental condition, but died of diarrhœa on 21st May 1893 There was no *postmortem* examination.

44. Bhownagiri Ghosain, Mendicant, wanderer, 45.

Admitted 26th May 1893 Type "mania" The cause "appears to be moral" (Magistrate's papers) He told us he smoked ganja. He drank his own urine, but explained that this was to remove certain forms of illness. He has the appearance of a licentious wanderer and rattles away as such men do There seems nothing different in kind in his case from other mendicants, though it differs in degree.

45. Bhagu, Hindu, Syce, North-Western Provinces, 20

Admitted 14th June 1893. Type "acute mania." The Magistrate's papers assign his insanity "possibly to over-indulgence in ganja" He answers no questions He never asks for ganja. He remains apparently indifferent to all around him.

46. Venkatappa, Hindu, occupation *nil*, Bangalore, 40.

Admitted 19th July 1893. Type "chronic dementia.' Nothing is known of the cause. The asylum history also shows nothing about ganja. But the patient says he used ganja. This is therefore entered as the cause of his insanity, the Assistant Surgeon says

NOTES.—(1) There are at present 175 inmates of this asylum. Of these, 135 are males.

The above 46 are all the hemp drug cases both remaining from former years and admitted during 1892 and 1893. Of these, as shown above, 44 are still in the asylum. Mr. Ommaney, Dr. Warden and I saw all these patients with Dr. McGann.

(2) Dr. McGann states that in his opinion there are no special diagnostic signs of toxic insanity from hemp drugs except perhaps that ganja patients are subject to more frequent fits of violence and recover rapidly.

(3) The Assistant Surgeon, B. D. Raghavendra, gave us much of the above information.

PART I.

DECISIONS OF GOVERNMENT IN REVENUE CASES.

NOVEMBER 1893.

Appeal No. 91 of 1892-93.

Appellant.	*Vs.*	*Respondent.*
Gopalaiya of Kuchangi, Tumkur Taluk, represented by Mr. K. T. Narasimaiengar, Advocate.		Ganesaiya, represented by Mr. L. Srinivasaiengar, Advocate.

Decision.—Appellant's brother, who was Shanbhog, was dismissed in 1870, and as it was directed that the appointment should not be given to a close relative of the dismissed man, a distant collateral named Gundappa was appointed. He held the office for some time and resigned it in 1873 when Respondent's brother—a stranger—was appointed temporarily and confirmed in July 1878. Appellant brought a suit for the office in January 1891 and it was dismissed as barred by the Law of Limitation. The appeal is against this decree.

2. The Appellant's contention is that the cause of action arose when Respondent came into possession of the office. This contention is altogether inadmissible. The appeal is therefore dismissed.

No. 7303—P. F. 53-93, DATED, 1ST NOVEMBER 1893.

Communicated to the Deputy Commissioner, Tumkur District with proceedings.

Appeal No. 133 of 1892-93.

Appellant.	*Vs.*	*Respondent.*
Venkatramasetti of Sivamarhalli, Mulbagal Taluk, Kolar District.		Annisetti.

Decision.—One Nagisetti applied for Survey No. 62 (extent 3—5, assessed at Rs. 19) and on its being sold in a public auction in September 1892, the applicant purchased it for Re. 1.

2. Appellant claimed the land on the ground that it formed part of his khata. His allegation is that he applied for No. 61 (acres 2—33, assessed Rs. 16) in 1888, but that the land pointed out to him was No. 62 and that he was enjoying it, and that consequently the land should be given to him. He adduced some oral evidence to show that he was actually cultivating the land, but as there was also evidence to show that No. 62 had been all along waste, and the Appellant had no legal title whatever to it, the Deputy Commissioner rejected the claim of the Appellant and resold the land on the ground that the first sale was not conducted properly. The second sale took place in December 1892, at which Respondent purchased it together with the Government share of the produce for Rs. 195.

3. The Appellant's contention is that both the 1st and the 2nd sales were irregular since he had possession of the land. The evidence in regard to Appellant's

possession of the land is not satisfactory and even if he had it, it was unauthorized. The Deputy Commissioner's decision is correct and the appeal is therefore dismissed.

No. 7304—P. F. 54-93, DATED, 1ST NOVEMBER 1893.

Communicated to the Deputy Commissioner, Kolar District with proceedings.

Appeal No. 71 of 1892-93.

Appellants.	*Vs.*	*Respondent.*
Ramegauda and Mari Huchegauda of Bhimasandra, Tumkur Taluk, represented by Mr. K. T. Narasimaiengar, Advocate.		Yakub Sab.

Decision.—1st Appellant applied for a piece of land within certain boundaries without mentioning its number, on 15th June 1892. The Darkhast was sent for enquiry, but before a reply could be received, *i. e.*, on 18th June, Respondent applied for the same land specifying its number, and his application was granted on the 22nd June. The next day, the report on the 1st application was received, and it having appeared that that Darkhast also was for the very land which was granted to the Respondent, the 1st Appellant was informed by the Amildar that the matter had been disposed of. 1st Appellant appealed to the Deputy Commissioner who confirmed the action of the Amildar. The appeal is against this decision of the Deputy Commissioner.

2. 1st Appellant states that when he presented the Darkhast, the Shanbhog refused to give the number of the field, but he has not proved his statement. Another argument advanced is that the 2nd applicant's Darkhast contained a remark made by the Shanbhog that there was another prior application for the same land, but this remark was written in the 2nd application after it was granted by the Amildar. There being thus nothing to show that there was any neglect of duty on the part of any one, save the carelessness of the 1st Appellant himself, which led to the rejection of his application, the appeal must be dismissed.

No. 7420—P. F. 55-93, DATED, 1ST NOVEMBER 1893.

Communicated to the Deputy Commissioner, Tumkur District with record.

Appeal No. 3444 of 1892-93.

Appellant.	*Vs.*	*Respondent.*
Pallakki Raghavendrachar of Tumkur, represented by Mr. K. T. Narasimaiengar.		Nagappa.

Decision.—No. 16 was sold in auction for cultivation purposes in January 1893, with an upset price of Rs. 20, and one Hanumanta purchased it for Rs. 10. Appellant subsequently offered to pay Rs. 20 and the Amildar requested the orders of the Deputy Commissioner who issued an order on 21st January 1893, that the amount of the sale proceeds being within Rs. 50, the Amildar was competent

to pass such orders as he thought proper subject to an appeal. On this, the Amildar made over the land to Appellant on receiving Rs. 20 from him, but on Hanumanta appealing, the Deputy Commissioner cancelled the order of the Amildar and directed the land to be resold. It was accordingly resold in July 1893, and Respondent purchased it for Rs. 165.

2. Appellant appealed against the sale and the Government rejected the appeal without hearing the parties. The present petition is for a review of the order of Government dismissing his appeal.

3. At the hearing, the Appellant has failed to show any good reason for reconsidering the order already issued. The land was made over to Appellant subject to orders on appeal, and the order of the Deputy Commissioner is perfectly equitable. The appeal is therefore finally dismissed.

No. 7422—P. F. 56-93, DATED, 1ST NOVEMBER 1893.

Communicated to the Deputy Commissioner, Tumkur District with proceedings.

Appeal No. 199 of 1891-92.

Appellant.	*Vs.*	*Respondent.*
Samanna of Malasandra, Tumkur Taluk.		Kempanna, represented by Mr. C. Sabhapati Iyer, Barrister-at-law.

Decision.—In August 1886, Appellant, who was Patel was dismissed on the ground that he was found guilty of an assault on a private individual and fined Rs. 8. In October 1889, he was restored to office on the condition of his furnishing security, personal or pecuniary, for Rs. 200. Petitioner deposited Rs. 100, but having failed to find security for the remaining amount, was removed from office in January 1892, and Respondent—a stranger—was appointed in his place in February 1892. The appeal is against his removal.

2. Government consider that security from the Appellant is uncalled for and the Deputy Commissioner will accordingly be requested to restore him to office. The Respondent's Advocate pleaded that this is virtually an appeal on the order issued in 1889, and that it is now too late to admit the appeal. But the Government regard this as an appeal against the Deputy Commissioner's order of 1892. Till then he was actually in office, and it was open to him to ask Government to be relieved of the security at any time.

No. 7518—P. F. 109-93, DATED, 1ST NOVEMBER 1893.

Communicated to the Deputy Commissioner, Tumkur District with proceedings.

Petition No. 551 of 1889.

" " 111 of 1892.

Appellant .. Brahma Seshagiriyachar, Jodidar of Hunakala, Malvalli Taluk, represented by Mr. S. Ramaswami Iyer.

Decision.—This is an appeal against the settlement of the boundary dispute between Appellant's village and the neighbouring Government village made by the Survey Department. Under this settlement a large tract of land belonging to Appellant is stated to have been demarcated as that of the neighbouring Government villages.

2. The appeal is based on the account of *Vibhava* which, it is urged, shows that the land disputed belongs to the Appellant's village. The Appellant obtained a copy of the account from the Taluk on 16th April 1888, but he not only failed to produce it before the Settlement Officer, but deposed on 28th December 1888, before the Assistant Superintendent of Revenue Survey that he had no accounts or documents other than those he had filed. Moreover the original account of Vibhava though obtained from the Taluk records is not attested by any authority and contains corrections and errors which throw much doubt upon its genuineness. For instance, in page 11 of the account, the total of 840 × 2,400 is put down as 22,56,000, whereas the correct total is 20,16,000, and the total of 22,56,000 + 5,400 + 8,06,400 is put down as 23,47,800 whereas the correct total is 30,67,800. Some of the component figures have been clearly altered, and it is probably because the Appellant was conscious that the account has been tampered with that he did not produce the copy he had before the Survey Officer.

3. Under these circumstances, and considering the important fact that a considerable portion of the land claimed has been all along in the possession of Government raiyats, the appeal will be dismissed.

No. 8176—P. F. 16-92, DATED, 11TH NOVEMBER 1893.

Communicated to the Superintendent, Mysore Revenue Survey with proceedings and to the Deputy Commissioner, Mysore District with the Paimashi Patti.

Appeal No. 195 of 1891-92.

Appellant.	*Vs.*	*Respondents.*
Kallaiya of Tavrekere, Channagiri Taluk, Shimoga District, represented by Mr. Sitaramaiya, Pleader.		1. Sivaramaiya. 2. Kallaiya.

Decision.—In 1864, Appellant's father was dismissed from his office of Shanbhog for "neglect of duty in ascertaining and submitting the name of the rightful successor to the Patel" of the village, and one Sivaramaiya—a divided collateral—was appointed in his place. Sivaramaiya died a month ago, but in 1878 he got his office transferred in the name of Kallaiya, his brother's son. Appellant's father died in 1889 when cause of action accrued to Appellant, and Appellant requested the Deputy Commissioner in 1891 to confer the office on him, but he refused to interfere in the matter as it was disposed of long ago.

2. The Government consider that the offence for which Appellant's father was dismissed is not such as to debar his son getting the office. The order of 1864, dismissing Appellant's father did not deprive the son of his hak so as to bar his claim after the death of his father, and the Deputy Commissioner should not have sanctioned the transfer of the office to Kallaiya. The office should now pass to the Appellant, and the Deputy Commissioner is requested to appoint him.

No. 8169—P. F. 32-93, DATED, 13TH NOVEMBER 1893.

Communicated to the Deputy Commissioner, Shimoga District with proceedings.

Appeal No. 102 of 1892-93.

Appellants .. 1. Narnappa, 2. Krishnappa of Kannimedi, Pavagada Taluk, by Mr. Krishna Murti.

Decision.—The conviction of the Appellant's father Timmappa for having forged and tampered with Government records was upheld and confirmed, and the offence was a very serious one affecting, as it did, his competence and trustworthiness for the responsible office of Shanbhog. So far back as March 1883, the father was dismissed from office and his sons were also pronounced disqualified to hold it. The 1st Appellant attempted, in 1885, to regain the office but failed. The present application is from 1st Appellant and his brother, the 2nd Appellant, who was a minor in 1885. The Government decline to entertain this application, more especially as Appellant's father is still alive, but on the occurrence of a vacancy after the death of Timmappa, Appellant's claim will be considered.

No. 8451—P. F. 60-93, DATED, 19TH NOVEMBER 1893.

Communicated to the Deputy Commissioner, Tumkur District with the records.

Petition No. 3192 of 1892-93.

Appellant.	*Vs.*	*Respondents.*
Govindaiya, Shanbhog of Inam village, Yalachikere, Tumkur Taluk, represented by Mr. Venkatramaiya, Advocate.		1. Srinivasachari, 2. Iraiya, represented by Mr. S. Narasimhaiengar, Advocate.

Decision.—Petitioner brought a suit before the Amildar against the 1st Respondent, the Jodidar of the village, and 2nd Respondent, the raiyat of the village, for the Mira due to him. The 1st Respondent denied the liability, and the 2nd Respondent stated that he never paid the Mira and that if any was due, the 1st Respondent was responsible under an agreement executed by him. The Amildar being satisfied that the Mira was due, adjudged it to the Appellant and ordered it to be paid by the 2nd Respondent. But the Deputy Commissioner cancelled the decision on the ground, not that the Mira was not due, but that Section 4 of the Land Revenue Rules is not explicit as to who should pay the Mira, whether the Inamdar or the raiyat. The appeal is against this order.

2. According to the established usage of the country, the Mira is payable by the person who cultivates the land, the theory being that it is payable from the gross produce before the crop is divided between the Land-lord and tenant. This being so, the Deputy Commissioner will be requested to levy it from the 2nd Respondent under Section 193 of the Land Revenue Code, if he is satisfied that the Mira claimed is due. If he is satisfied that the Mira is not due, he is at liberty to reverse or modify the decision of the Amildar on that ground, subject, of course, to an appeal. If under any agreement between the 1st and 2 Respondents, the 1st Respondent is liable to pay the Mira, the 2nd Respondent is at liberty to recover it from him.

No. 8696—P. F. 61-93, DATED, 28TH NOVEMBER 1893.

Communicated to the Deputy Commissioner, Tumkur District with record.

Petition No. 587 of 1891-92.

„ „ 92 of 1892-93.

Appellant.	*Vs.*	*Respondent.*
Sinappa of Nyamti, Honnali Taluk, represented by Mr. L. Srinivasaiengar, Advocate.		Lingappa, represented by Mr. C. Krishna Murti, Advocate.

Decision.—The Register of 1835 shows that there were then 3 Hakdar Patels for the village named :—

(1). Puttulingaiya.
(2). Rudra, Grand-father of the Respondent.
(3). Doddaviraiya.

} These men are unconnected with each other.

A remark is therein entered that the 3rd sold half of his half share to Venkatapataiya, the father of the Appellant. There is also a deed of sale on stamp paper dated Khara (1831-32) which shows that Venkatapataiya purchased $\frac{1}{4}$th share of the Mirasi right. What became of the 1st and 3rd above named is not known, but up to 1882, Appellant's father and, after him his brother and the Respondent were doing duties, but in 1882, the Government directed that on the occurrence of a vacancy, the full right should be given to the Respondent, the member of the original family, *if* two Patels were not needed. In 1884, on the death of Appellant's brother who was then holding office, another brother of his named Krishnappa was appointed, but in 1886, the Government directed the appointment to be withdrawn *if* 2 Patels are not needed. In 1891, the Deputy Commissioner decided that 2 Patels were needed and left Appellant's brother Krishnappa in enjoyment of the office, but in 1892, Krishnappa died, and the Deputy Commissioner decided that Respondent alone should be the sole Patel of the village, and that if a second Patel was necessary, a qualified person should be selected out of the original family, or the Respondent allowed to employ a Gumasta. The appeal is against this order.

2. Although Appellant is not a member of the original family of the Mirasidars, the fact that his father acquired the right by purchase 60 years ago, long before the alienation of such offices was prohibited, is undoubted, and there is also no doubt that if there is to be only one Patel for the village, Respondent has better right to be selected for the post than the Appellant. The only question therefore that remains to be settled is, whether 2 Patels are required or not. If two Patels are needed, it would not be right to turn out the Appellant and give the appointment to a relation of the Respondent or allow him to employ a Gumasta. The policy of Government has been to have only one Patel for each village, and if, in pursuance of that policy, the Deputy Commissioner thinks that one Patel is enough, he may continue Respondent alone in sole charge of the office, but if two are required, he should appoint the Appellant instead of one of the family of the Respondent.

Mohadin Sahib of Tarikere, Kadur District.		Mr. Courpalais.

Decision.—A dispute having arisen between the Appellant and Respondent in regard to a plot of ground in No. 32 applied for by, and granted to, Appellant for coffee cultivation, the then Deputy Commissioner, Colonel Campbell, decided,

with the consent of both parties in June 1890, that a piece of ground measuring 4 acres, 16 guntas should be left as Bandy-stand for common use. It was accordingly demarcated into No. 37 and treated as Kharab.

2. Subsequently, Appellant questioned the above settlement and claimed the whole land, and the Respondent also claimed more land for bandy-stand, and the Deputy Commissioner decided in May 1892 that 17 acres, 36 guntas should be left as bandy-stand. The Appeal is against this order.

3. Government do not see why the present Deputy Commissisner interfered at all with the settlement made by his predecessor with the full consent of both the parties. His decision is therefore cancelled, and he will be requested to have the settlement made by Colonel Campbell unaltered.

Petition No. 1366 of 1892-93.

Karagada Tirunarayanaiengar of Melkote.		Krishnaiengar, son of Kotnur Rangachar.

DECISION No. 573—MUZ. F. 46-93, DATED, BANGALORE, 20TH NOVEMBER 1893.

By a miscellaneous petition the Appellant sought to establish his right to the office of Chikka Parpattegar in the temple of Melkote. The Deputy Commissioner dismissed the application on various grounds, among which one was that the office claimed is not hereditary. The appeal is against this order.

2. Important claims like these cannot be settled on miscellaneous petitions. The appellant should therefore establish his right by a regular suit before a competent authority.

A SREENIVASSACHARLU,
Muzarayi Secretary.
